

## 2nd to none

While convenient to key Right Bank sights, this comfortable apartment in a 17<sup>th</sup> century building is a quiet refuge because it faces the courtyard. In the Montorgueil area, it is an easy walk to Les Halles, the Louvre, Notre Dame and the Centre Pompidou. For longer jaunts, a Metro stop is minutes away.

Much of the 2<sup>nd</sup> arrondissement is formal and elegant, but this area is filled with small restaurants, cafes and shops. Hop on the No. 4 Metro line and in minutes you're in the heart of the Left Bank. Or take the No. 3 line to the Opera and grand magasins.
