

Eiffel Tower 2

Recommended by
Like Living ThereSM

This architect renovated one bedroom is a stylish choice for a couple or small family that wants to get away from the tourist hustle but still be located conveniently to the best sights. Near the Seine and a short walk from the Eiffel Tower and the Trocadero, with a nearby Metro station that has escalators. Local restaurants are all around and there is a supermarket very close.

Inside there are hardwood floors and double-pane windows for quiet. The owner works in the tourism industry in Paris, so knows the importance of a good guest experience.
