

# Heart of the Marais

Recommended by  
Like Living There<sup>SM</sup>

Be near the center of the popular Marais district, but on a quiet street with a courtyard view. Place de la République is a short walk away as is the scenic Canal Saint Martin and rising Oberkampf neighborhood. The Centre Pompidou is a few blocks in the opposite direction. Even closer are myriad dining and club options.

The République Metro station's six lines make it easy to explore other areas of Paris or take the No. 3 line to the Opera from the less crowded Temple or Arts et Métiers stations, each within 3 blocks.
